New Sponsor– Mercedes!

Leaders in their field. Classy. Sexy. Reliable. Enough about UWS medical students. Let's talk about Mercedes!

We share these same qualities with Mercedes and so it was just a matter of time before we said to ourselves, "Hey sexy, we should partner up". And that's exactly what we've done! Mercedes Macarthur is now officially a sponsor of the UWS Medical Society.

Mercedes-Benz
Macarthur

Christina Anthony put in an enormous amount of work in helping secure this deal and must be applauded for her great efforts. After a lot of hard work and persistence, we finally got there!

Congratulations to everyone!

Continue to wear the 'UWS medical student' badge with pride!

Excursion with DFR! - Visit to Hospital Support Battalion and Training

Rehab Wing

Defence Force Recruiting is conducting a visit to the 1 Hospital Support Battalion (1 HSB) and Training Rehabilitation Wing (TRW), at Holsworthy, on the **14 Sep 2011**. This is a great opportunity for prospects/candidates to attend a "field visit" to introduce themselves to a day in the life of a health officer in the Army. You will have an opportunity to meet doctors, nurses, physios, psychs, medics, and admin staff (plus more) that manage a large Military Hospital and Rehabilitation Centre.

The visit will start with everybody meeting at the pass office near the back gate of Holsworthy Barracks at 0830. The pass office is in Moorebank Ave, Moorebank, which is at the back of Holsworthy Barracks

You will visit 1 Hospital Support Battalion (1 HSB) in actual location, where you will be instructed on all aspects of a Military hospital. All specialists will be there to talk to you (i.e. doctors, nurses, physios, psychs, medics, Q etc).

After lunch you will have a tour of Training Rehabilitation Wing (TRW) by their Officer Commander Major Ric Loveridge. The visit should conclude around 1430.

Please confirm your attendance to me at sponsorship@uwsms.org or Shona at sngeru@dfrc.com.au If you have any questions please feel contact me.

Cheers
