March Elections 2012: Polling Opens Tomorrow

The race begins! Polling for the **UWSMS March Elections** opens tomorrow (Monday 26 March). In the mean time, read about your nominees in the [candidate guide](#). Think hard about who you're going to choose - these people will be your voice! Stay tuned to uwsms.org for the launch!

- Remember to be registered and logged in to vote.
- Read the [candidate guide](#).
- Only vote in the sections you are eligible to vote for. We don't take electoral fraud kindly here (unlike Russia).
- And remember that polls close **Sunday 1 April at 5 pm sharp**.
- Results will be announced at the **Annual General Meeting** the following day (Monday 2 April).

Spearhead the Surgical Interest Group

Love surgery? Or just like suturing? UWSMS MedSoc is hoping to revive the **Surgical Interest Group (SIG)**. Currently, we are seeking expressions of interest for a **SIG President**. This person must be enthusiastic and committed with working with MedSoc to resume operations. Anyone from any year of UWS Medicine can apply. Simply write an application (maximum one page) that outlines:

- Your vision for SIG.
- Relevant previous experience, qualities and skills that suitable for this job.
- Events or initiatives you hope to plan for this year.
- Any relevant resources or contacts to which you may have access.
- And your contact details (mobile phone, email), of course.

Send your application to Sarah Qureshi at president@uwsms.org by **11:59 pm Tuesday 3 April, 2012**. All MedSoc Executives will consider the applications and vote. Elections for other SIG Executive positions (including Secretary and Treasurer) will be held at a later date, in which the SIG President will also participate and vote. If you have any more questions, please contact Soondoos at president@uwsms.org. **Good luck!**

Join 'The Renovators': Website Edition

Guess what? Our venerable website will be getting a much needed **makeover and redesign**. But Rome wasn't built in a day, and I'm just one person after all. So I'm looking for people who will form a group to help oversee, critique and contribute ideas to the entire redesign process, like a fancy **consultation agency**.

So if you've got some skill or knowledge about IT or website development, social media, marketing and promotions, graphic design, creative writing or any other valuable skill, send me an email at publications@uwsms.org soon. You'll be kept in the loop!

And if you have any comments or ideas about what does or doesn't work about our current website, I'd love to hear from you too! In the end, I want a website that is dynamic, user friendly and **really showcases** our MedSoc, and your voice!
