Vice President's Updates

UWS MedSoc Membership Benefits Scheme (MBS)

Being a member of UWSMS is not only **free**, but also entitles you to **special offers** at our partner shops and restaurants! Our plan this year is to expand the MBS and work with local businesses in the Blacktown and Campbelltown regions (and eventually reach Bathurst & Lismore for our rural clinical school students).

You will soon be provided with a **brand new UWSMS Membership Card**, with your name printed on the back. All you have to do is show this card to our partner shops and restaurants, in order to benefit from the applicable offers/discounted rates. We will be providing an up-to-date list of participating businesses very shortly and will work hard this year to bring some amazing deals to all our students. If you would like to **suggest new places** or provide feedback, please get in touch!
